2026 IS GOING TO BE A SUPER FUN AND EXCITING YEAR. WE LOOK FORWARD TO WORKING WITH YOU!

- 1. You have to choose a choice of Zulu or Afrikaans as First Additional Language.**
- 2. Coding & Robotics is compulsory subject within the curriculum at no extra cost.**
- 3. Extra Curriculars:**
 - Speech & Drama
 - English Creative Writing
 - Interactive physical education, fun sports classes
 - Personal and group Life Coaching sessions.

These will be offered online, giving home schoolers the opportunity to have the best of both. Learners will have the opportunity to learn these skills, in the safety & comfort of their homes.

4. SCHOLASTIC ASSESSMENTS:

Conducted by a specialist in the field, affiliated to HabTech Education S.A

This scholastic assessment provides you with a baseline of your child's strengths and weakness in relation to their academic needs.

This will allow their educator/tutor and parents to identify key areas of difficulty to focus on by utilizing their strengths in an individualized way.

Test avail Online as well as face to face sessions, in KZN.

5. School group clubs will be introduced:

Every learner will be required to sign up to at least 1 club, with a max of 3

Making a difference, one learner at a time!
