

Dear Parent,

1. RE-REGISTRATION 2027

The re-registration process has commenced!

Re-registration of all learners for NEXT YEAR must be confirmed before the 30 October 2026.

The importance of the re-registration process cannot be over-emphasized.

Firstly, it is imperative that we get current and updated information on all learners to update our systems.

Furthermore, the Re-Registration process helps us to plan for the New Year: Number of classes, number of educators / tutors, subjects and period allocation, etc. to ensure that lessons are delivered on the first school day in the New Year.

Habtech Education SA proudly serves:

- Homeschool learning base
- Independent homeschoolers
- Online school learners

We are only registering 100 learners per grade per category, and spaces are limited.

You are once again reminded that FAILURE TO RE-REGISTER YOUR CHILD BY THE DUE DATE WILL RESULT IN HIS/HER PLACE BEING ALLOCATED TO A NEW LEARNER.

To those parents whose children are not returning or not continuing with Habtech Education SA, please inform the office by 30 October 2026, so that Transfer Cards can be prepared to hand over to the new school – you will be missed!

We are indeed most grateful to those parents who offer support and co-operation, and comply with our procedures. This responsibility and partnership with you certainly help in moving HABTECH forward in achieving success.
